

Dear Friends of the Gathering

Thanks to all of you and the Mission Hills community for all the support during this past year of fire reconstruction. We are back, better than ever with everything new including the chef! Many of you were part of or wine and dinner club before so we hope to have special wine and dinner meals soon. We saved lots of your favorite menu items including Carne Asada. There is a web link that offers a lot of information about the restaurant and all the new menu items. If you like magic I've got a few new tricks myself, ask to meet "Uncle Lucky" plus we have magicians Thursday, Friday and Saturday starting at 6 pm. Please contact me should you have any questions look forward to seeing and talking to you at the restaurant soon.
